FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION

Division of Recreation and Parks

Application for Scientific Research/Collecting Permit

Have you or any of the above-listed investigators above previously had an FPS research/collecting permit? Yes No
If Yes, give permit number(s)
Qualifications: Provide background summary or curriculum vitae for principal and additional investigators. Identify training and qualifications relevant to the proposed project, including previous research projects.
Are any other state or federal permits required for this activity? If so, please explain.
Section II.A. Scientific Research Information: Please answer all questions. A scientific research proposal may be attached and referenced to provide additional detail for the questions in sections II.A and II.B.
If known, in the space below please list the names of all State Parks to be included in this permit. If unknown, proceed to next question.

If unsure of specific parks to include, select one or more of the boxes below.

All State Parks All District 3 Parks (Central)

All District 1 Parks (Northwest)

All District 4 Parks (Southwest)

All District 2 Parks (Northeast)

All District 5 Parks (Southeast)
